ANNUAL OPERATING BUDGET IMPACT (\$000)

DESCRIPTION

This project provides for acquisition of completed road improvements in the Clarksburg Town Center Development District that will be constructed by the developer and subsequently acquired by the County. Four road projects are to be acquired upon substantial completion by the developer: 1) Stringtown Road between Piedmont Road and MD 355 - two lanes will be constructed with dedicated right of way for an ultimate four-lane roadway. The ultimate four lanes will be provided in an 800-foot "gap" between adjacent developments on the south side of Stringtown Road, 2) MD 355 - vertical realignment of a 600-foot segment south of Stringtown Road to improve safety and visibility, 3) Piedmont Road will be constructed from Stringtown Road to Clarksburg Road as a two-lane road, 4) Clarksburg Road - the two-lane roadway will be widened to include turning lanes between MD 355 and Piedmont Road.

Any funds remaining from the total available development district funds would be applied to these improvements: 1) Town Center - new streets to provide circulation, and access to the planned retail center; Overlook Park Road, from Clarksburg Road to Stringtown Road, and Clarksburg Square Road from the current end of Redgrave Place to Overlook Park Road. 2) MD 355 at MD 121 in the Clarksburg Historic District - turn lanes will be added to improve intersection capacity. All improvements are in accordance with the Master Plan and will include streetlighting, street trees, sidewalks and/or paved bike paths.
